Subject: AIA Proceeding Panels Update September 28, 2016

Good Morning,

An update to the AIA proceeding panels workbook has been posted [here](#) on SharePoint.

Terminated cases as well as pending cases are included in the update to aid panel members in identifying and managing case families.

The panel assignments for petitions that received notices of filing date accorded in August have been completed. We will begin paneling petitions that received notices of filing date accorded in September after the close of the month. Therefore, the next update of proceeding panels will be posted around mid-October.

As always, please contact the PTAB AIA Paneling mailbox if you are overloaded with writing assignments and would like to request reassignment to someone outside of the current panel. So far, we have been able to accommodate all such requests.

Thank you,

(b)(5)

Subject: AIA Trial Judges -- Please Fill Out Your Portion of the AIA Writing Assignments Spreadsheet by COB Tuesday, July 22nd

Importance: High

Dear AIA Trial Judges,

Please fill out the AIA Writing Assignments spreadsheet ([AIA Writing Assignments](#)) for all cases **where you are responsible for drafting a Decision to Institute (DI) or Final Written Decision (FWD)**. The two relevant columns in the spreadsheet are highlighted for ease of identification. If the above link does not work for you, the spreadsheet may be found on the S: drive at S:\Appeals Processing\Opinion Processing\0 - AIA Writing Assignments.

Please complete data entry by **COB Tuesday, July 22nd**. If you are on leave, please complete this as soon as possible upon your return. It is important that we have an accurate record in each case of the judges who will be drafting these decisions. We will be using this information to make paneling decisions and adjustments.

Let me know if you have questions. Thank you for your assistance in this matter.

Sincerely,

(b)(5)
Delib Pr
