**CONFIDENTIAL—SUBJECT TO FRE 408
FOR SETTLEMENT PURPOSES ONLY**

Counsel,

We want to notify you that you will be receiving a request to sign an NDA via DocuSign for receiving confidential correspondence on behalf of ASSA ABLOY regarding evidence of potential inequitable conduct committed during the prosecution and reexamination of U.S. Patent No. 9,373,205, which Liberty Access Technologies LLC currently asserts in Case No. 2:22-cv-00318 in the Eastern District of Texas.

Due to the sensitive nature of such correspondence, we share it with you only after you agree to the terms of the non-disclosure agreement. A copy of that agreement is attached for reference.

Additionally, in viewing the correspondence to be sent after you execute the NDA, you agree that neither ASSA ABLOY nor its attorneys or affiliates are under any obligation to correct or otherwise address any potential inequitable conduct by Liberty or its affiliates in connection with U.S. Patent No. 9,373,205, or any other patents or applications owned by or licensed to Liberty or its affiliates, including Urban Intel, Inc. Any obligation to address any potential inequitable conduct regarding any patents or applications owned by or licensed to Liberty or its affiliates, including Urban Intel, Inc. is that of the owners and/or licensees of those patents or applications.

Regards,

Daniel
